ANNUAL REPORTS

OF THE

TOWN OFFICERS

AND

INVENTORY OF RATABLE PROPERTY

OF

SWANZEY, N. H.

FOR THE YEAR ENDING
DECEMBER 31, 1976

In Memoriam OLIVER BELDING

As the Town Report was being readied for the printer, the whole community was saddened by the death of Oliver Belding.

Oliver served as the Health Officer for Swanzey for several years and his passing will leave a void that can never be filled in his own inimitable way. He had the rare ability to attack problems and come up with answers through his unusual analytical powers. He was always able to see the simple through the utmost of complexity.

His advice and help will be sorely missed in all facets of the Town governance.

Sincere sympathies are extended to his family from the citizens of Swanzey.

MT. CAESAR UNION LIBRARY

Librarian's Report

Beginning April 6th, 1976, the Mt. Caesar Union Library is now open twenty-four hours weekly. The hours are Monday through Thursday, 1:30 - 4:30 and 6:30 - 9:00; Tuesday mornings 9:30 - 11:30. The library facilities and Materials are being well used by persons who come in to study, do research, use reference materials, borrow books for special reports, and/or borrow books for recreational purposes. Newly published books are received each month, many of which are on the best-seller list of the Boston papers and the New York Times. About 4000-4500 books are borrowed annually from the State Library Bookmobile which makes 3 or 4 visits a year to the library. These books are selected by the Librarian and Assistant Librarian. Requested materials, such as special book titles or subjects, are borrowed from other libraries as well as from the State Library in Concord. There have been 109 new registrations this past year.

There are several programs and activities sponsored by the library. An annual Vacation Reading program is held through out the summer - having a different theme each year - particularly to encourage children to use their acquired reading skills and find out that reading is fun. While school is in session, the library holds a weekly story hour for grades one through three, featuring not only stories, bur also music, drama, films, poetry and other experiences the children may not have otherwise. This year, to celebrate the Bicentennial, a "Liberty Tree" was planted in front of the library by the Story Hour children. The ceremony not only symbolized U. S. Liberty, but also emphasized the conservation of our natural resources. A display was entered at the Cheshire Fair and received first prize. Grade and high school classes visit the library throughout the school year. Books are taken regularly to the Carpenter Home and other home-bound persons. The Talking Book Service is available through the library for those eligible to receive it.

Work has been started for moving the library from the second to the first floor of the library building. This includes preparatory work for the installation of a central heating system which will also heat the new Antiquarian Hall housing the Town's historical artifacts, and the purchase of suitable, second hand shelving at a substantial saving to be used on the first floor. Present shelving is inadequate for all the books and other materials owned by the library. This move to the first floor will make it possible and easier for everyone in the community to use the library, especially the physically handicapped, elderly, and others who find climbing the stairs difficult or im-

possible. It will also facilitate the pick-up and delivery of books borrowed from the Bookmobile as well as the delivery of other library materials. For several years it has been evident that for Mt. Caesar Union Library to provide better and more economical service to the community, it would be necessary to make the move from the second to the first floor.

Trustees serving on the Board are: George Knorr, president; Dianne Beecher, secretary; Elsie Navish, treasurer; Aline Parker, Rita Prudhomme, Jane Mensel, Robert Stack, Richard Talbot, Jane Johnson, Janet Parsons, Gordon Woolner.

Respectfully submitted,

Ruth Palm,
Librarian

There were 19 subdivisions approved by the Board this year. The Site Plan Review Board investigated ten applications.

During the year, Richard Dugger resigned from the Board. The Selectmen appointed Peter Jenkins to fill the vacancy.

Election of officers was held in September. The following were elected: Chairman - Michael Gomarlo; Vice Chairman - Peter Jenkins; Secretary - June Messer.

The Planning Board has been working closely with the Southwestern New Hampshire Regional Planning Commission in connection with the preparation of a land use map of the Town.

STRATTON FREE LIBRARY
West Swanzey, N.H.

Our total circulation for the year 1976 was 3,436, including records and magazines. There have been 48 new registrations this past year. A slight drop in circulation was realized due to the fact that our "Adventure Time" project was eliminated. Two of our "Adventure Time" volunteers, Belle Banks and Phyllis Masso and families, have relocated and another, Sandra Lafreniere has secured employment outside of her home. If at all possible, we would like to resume the program in 1977.

The N.H. State Bookmobile visits our library 3-4 times a year which helps to supplement our collection. Books have also been borrowed through the State Library on our interlibrary loan.

As Librarian, I have now to date, completed five of the Library Techniques Courses which have been taken at Keene State College.

I gave talks on the history of our library to Cutler School classes in 1976.

The third, fourth, fifth and sixth grade classes from the Community Christian School in West Swanzey, along with their principal, Rev. Richard Sainsbury, visit the library on a weekly basis.

On December 14th an open house was held. We hope to hold more of these in the future.

SWANZEY VISITING NURSE ASSOCIATION

Since its re-activation in 1972, the SwanzeY Visiting Nurses Association continues to serve SwanzeY residents in the field of Public Health. In 1976, our nurse, Mrs. Gloeckler, made 1235 visits and our physical therapist made 178 visits. Several families used the Home Maker/Home Health Aide Service.

Dental Clinics for pre-school and elementary school children were held with 292 SwanzeY children participating. These clinics are administered through the Monadnock Dental Hygiene Association and the school nurses on an annual basis so that parents can plan to avail themselves of this service if they so desire. A professional hygenist cleans the teeth, applies topical fluoride and educates the child on good dental care. Clinic notices and permission slips are given out at the schools.

The Swine Flu clinic in October eas well attended with 420 persons being immunized. Thanks are due all residents who assisted in any way.

It was unfortunate that our other immunization and Blood Pressure clinics had to be discontinued in SwanzeY because of very poor attendance. Until such a time that we are able to find a way to increase greater participation our SwanzeY residents may attend all clinics held in Winchester under joint WVN&SVNA sponsorship.

Hopefully, with more publicity and awareness of our association we will be able to re-activate our clinics and institute new programs to fill the needs of our people.

SWANZEY AMERICAN REVOLUTION BICENTENNIAL COMMITTEE

Perhaps 1976 was really the most important year for the SwanzeY Bicentennial Committee, in that most of our goals have been realized. We set out to promote and encourage community spirit and understanding and to celebrate America's Bicentennial in a constructive and meaningful way for SwanzeY.

The "Sunrise Celebration" held in the Potash Bowl on July 4, 1976 was a community and regional experience. Many hard, long months of planning and preparation went into the program, "New Day Dawning", and the pancake breakfast afterwards at Monadnock Regional High School. If the communications we received from many are sincere, the program touched many with a renewed sense of spirit for America, the freedom of hope we have here and a new commitment to involve ourselves in our family, community, and country. This is what it was and is all about.

Another project of the SwanzeY Bicentennial Committee was to complete a Bicentennial booklet for SwanzeY. This booklet records what we have done as a community in these bicentennial years and also shares the knowledge and resources of some very dedicated people who care about SwanzeY, its past, present, and future and who have helped give us the perspective they have acquired through years of studying and of making SwanzeY's history.

For the past few months the SwanzeY Bicentennial Committee has been taking a rest, but we are not as yet deactivated. We have a few buckets and booklets to be sold. Also we feel a deep concern for SwanzeY's Covered Bridges. There is paint left and refurbishing will be necessary every year or two to keep these bridges looking proud and a reflection of our Yankee ingenuity and craftsmanship. If you are interest in this project, please let us know.

When it comes to funds we never asked for any from the town. We have earned through the sale of the buckets and other projects what we have needed to support our activities. Unbelievably, we have a small amount of funds left. Some will go towards the covered bridges. There have been suggestions for the use of the rest. Whatever is decided upon will be for the benefit of something in SwanzeY. Suggestions are welcome. Final decision will be made by the SwanzeY Bicentennial Committee with the aid of the selectmen.

Thank you again SwanzeY. You have done an admirable job. Let's not now forget the lessons of togetherness we have learned.

SWANZEY CONSERVATION COMMISSION

Last June the Conservation Commission sponsored an Energy Workshop to acquaint the public with alternative energy sources. With the assistance of some experts from the Total Environment Center in Harrisville and three members of the Commission who attended T.E.A. Workshop themselves, the program was successful in presenting unique ways to conserve our dwindling energy supplies. The Commission is presently accumulating a library of resource materials on solar, wind and other alternative energy sources. Dean Meggison has been working with high school students interested in alternative energy sources. Due to the public interest, the Commission hopes to continue its emphasis on programs of this nature.

The Recycling Center in West Swanzey has continued in operation during the past year. More citizen participation is needed to make the operation more profitable. Efficient use of the center means less cost to the town to transport unrecycled refuse to the Keene landfill. The Commission strongly supports the center and again encourages everyone to recycle their trash.

Presently, the Commission is studying ways to make it a stronger voice in the community, especially in the areas of land use planning and the conservation of open space. Many of the members have attended Regional Conservation Commission meetings, and we have invited guest speakers to our meetings to further this objective.

The Commission is anxious to receive comments and suggestions from the public. Our meetings are open to the public and are held on the third Tuesday of each month at the Swanzey Congregational Church.

MONADNOCK REGION ASSOCIATION REPORT FOR 1976

The Monadnock Region Association was founded in 1934 when representatives from twenty-four towns in South-western New Hampshire first met and formed the organization.

The objectives of the Association today are much the same as they were in 1934.

We believe in tourism and recreation for the residents of the region and for the many visitors who enjoy coming here. The tourist industry in New Hampshire is a \$450 million dollar business and over 32,000 New Hampshire people are employed in tourist related jobs. The Monadnock Region Association is the only association or group expressly charged by the State of New Hampshire with the responsibilities of recreation and tourism in the Monadnock Region.

in 1976 the Association distributed over 120 thousand folders and brochures about the Monadnock Region to potential tourists and travelers to our area. Tourists paid the State of New Hampshire \$14 million dollars Rooms and Meals tax in 1976. Over \$5½ million dollars of this was redistributed by the State to all New Hampshire towns and cities. Every town and city in the Monadnock Region received a share of this tourist tax revenue according to population.

The Town of Swanzey received \$31,600 of these funds in 1976.

The Monadnock Region Association also strives to improve the industrial climate in the area. We know that there can not be jobs for our young people if there are not shops, plants, and warehouses where they can work. In the Region there are many good companies that provide clean, well-paying jobs and they don't make smoke or pollute the streams. We seek to help other firms like these to locate in the Monadnock Region.

Also, we want to maintain and preserve our natural resources, our mountains, our forests, our fields, and our wild birds and animals so that they can be enjoyed by those who live here and by the visitors who come to the area now and in the future.

Our interests in recreation and tourism, in industry, and in conservation, haven't changed greatly in 43 years.

Mr. Richard L. Lane is the Monadnock Region Association director in Swanzey.
